

David Nevory

German-american Songwriter David Nevory decided to dive deeply into the 70's to write songs. He then gathered a band around him to recreate the sound of that time.

David Nevory entwines a mix of Folk and Classic Rock music with a modern twist. Real handmade music without Auto-Tune or Synthesizers that could have been made fifty years ago. But the point is, it wasn't.

Pressestimmen:

"His songs are written and performed with perfect dynamics and just the right mixture of folk and rock, [...David Nevory's] rough voice is a pleasure to listen to" (General-Anzeiger)

"Definitely worth keeping an eye on" (Crazewire.de)

"Pure and genuine folk music" (swayandbreathe.com)

"Goosebumps guaranteed [...] the very special voice of David Nevory goes under your skin" (Plattenclub.de)
